MGOCISM IN THE NEW MILLENNIUM

Mar Gregorios Orthodox Christian Student Movement (MGOCISM) is a spiritual organization for student community in the Malankara Orthodox Syrian Church and is one of the largest spiritual organizations of its kind in the world. Its humble beginning goes back more than a century, when a few dedicated young men and seniors with vision and faith joined hands to organize the young college students in Madras centered in Madras Christian College to nurture their spiritual life and to encourage them to serve Christ in and through the Malankara Orthodox Syrian Church. They founded the **Syrian Student Conference** in 1907 and the first conference was convened on 1st January 1908 at Tiruvalla. The Syrian Student Conference, the parent organisation, assumed its present name **MGOCISM** in 1960 after the name of Mar Gregorios of Parumala. It is the oldest Christian Student Organization in India with the motto '**Worship Study Service**'.

The **Diamond Jubilee of the MGOCISM** was celebrated in 1969 (May 21-25) at Basileos College, Kottayam. The **Platinum Jubilee** was celebrated from 25-12-1983 to 1-1-1984 at the Orthodox Theological Seminary, Kottayam. The **Centenary Celebrations** of the movement were held during 2008 at various places and culminated in a grand conference (**Centum Gratia**) at the Parumala Seminary during December 26-31, 2008.

In order to bring together the young people of our church outside Kerala, zonal conferences were started in various places. The first conference in South India was held at Bangalore in 1973 and the first conference in the West Zone was held at the YMCA in Bombay. The Diaspora Centre at Nagpur was started in 2006 in order to take care of the spiritual needs of young people born and brought up outside Kerala. At present it functions in Roha, Mumbai. The first annual conference held outside Kerala was from December 26th to 29th 2012 at Roha, Mumbai. The 105th Annual conference will be held at Trivandrum on December 26th to 29th 2013.

MGOCISM spreads its services through the different wings such as the Medical Auxiliary, Technical Auxiliary, School Teachers' and Higher Secondary School Teachers' Orthodox Christian Association (STOCA and HSSTOCA), University Teachers' Orthodox Christian Association (UTOCA), Literary Forum and Missionary Forum. MGOCISM considers it an obligation to help the students from the lowest strata of the society through its educational scholarship programmes. Student Centres at Kottayam, Tiruvananthapuram, Kothamangalam and Alwaye stand as fitting monuments to the continuous and tireless efforts of the Movement during the past years. Each Student Centre provides hostel facilities in addition to a chapel, an auditorium, reading rooms and guest rooms.

The Movement is grateful to God Almighty that it was instrumental in providing committed leaders to the Church over the years. Along with the tradition and heritage of 100+ years of guidance, leadership and service, the Movement enters the new millennium with various activities for the spiritual upbringing of the student community in the Malankara Orthodox Syrian Church. Let all praise and thanks be to God Almighty for His blessings on the Movement.

Metropolitan Geevarghese Mar Coorilos (President)
Metropolitan Dr. Zachariah Mar Theophilus (Vice President)
